GLOBAL
Connect Admin B.V.

Globalization and cross-border transactions means that the utmost level of trust has to be the foundation of every business relationship.

At Global Connect Admin B.V., trust lies at the heart of our business and we strive towards building long-term relationships founded in mutual trust with our clients, suppliers and corporate partners.

Our international team of professionals have expertise in the following areas:

- International tax strategy and corporate structure
- International business administration
- Financial Management
- Accounting & bookkeeping
- IFRS, local and international GAAP

We are fully adaptable to the corporate culture of our clients and pride ourselves for understanding the complexities of a globalized society. We deliver professional and reliable advice founded on the latest developments both in Europe and abroad.

Business Administration

The corporate regulatory landscape is ever changing. Having an established industry specialist with in-depth knowledge of the regulatory and reporting processes by your side, allows you to focus on your core business. Our team of experienced professionals will shoulder the burden of the day-to-day governance and administration of your business. Our services include inter alia:

- Company incorporation and establishment & Registered office services
- Management and accounting services
- Preparing annual financial statements & VAT return
- Liaising with the regulatory bodies and authorities
- Compliance & legal advice
- Corporate finance advisory
- Optimizing tax conditions
- Payroll facilitation (Germany, Switzerland, Austria, Netherlands)

memberships

Financial Management

In a globalized world economy, reporting standards and regulations can vary greatly. Being positioned in a global office, our accredited team has multi-jurisdictional knowledge ensuring that local regulations are synced to multinational rules and industry trends, no matter the size or type of vehicle used. Global Connect Admin B.V. ensures that any organization carries out its objective as satisfactorily as possible by assisting in the following:

- Local tax and accounting including IFRS, US GAAP, UK GAAP, or any other GAAP
- Cashflow
- Collection of receivables
- Liaising with external auditors to prepare financial statements & reports
- Administrative assistance involved in the audit process
- Due diligence, financial analysis & forensic accounting services
- Reconciliation of intra / intercompany as well as VAT and IntraStat
- VAT and Intrastat declarations
- In depth partnerships with various international audit firms

Accounting & Bookkeeping

Bookkeeping is the first and most basic step in the accounting of any business, no matter the size of the entity. We utilize Dutch and/or international financial reporting standards to the curated needs of our clients.

Our services includes inter alia:

- Preliminary tax registration
- Recording of financial transactions
- Preparation and filing of financial statements
- Compilation of bookkeeping documents such as order, delivery and invoicing documents

Global Connect Admin B.V. is an experienced international administration office. We curate and execute a tailored offering to our clients from an extensive array of services while excellence and transparency remains the core of what we do. Our clients rest in the knowledge that a trusted partner in all matters of company administration, financial management, bookkeeping and accounting are at their side, allowing them to focus on their core business. This way, we guarantee a cultivated long-term relationship.
